Art & Design
Design & Technology Long Term Plan 2025-2026

Rationale:
Each KS2 class this year will follow units from the Kapow Schemes of work. Teachers will be able to teach the knowledge and skills maintaining the correct progression by using the Kapow Progression of Knowledge and Skills documents provided for each class teacher.

Key Stage 2 classes this academic year (2025-2026) will be focussing on **Electrical Systems, Food & Nutrition** and **Textiles** within D&T lessons. During 2026-2027 classes with look at **Digital World, Mechanical Systems** and **Structure & 3D** units.

Where units are only 4 or 5 lessons long, teachers may use their professional judgement to extend one lesson over 2 if activities require more time to achieve a high standard of responses from the children.

P3 (Year 2 & 3)	ART **Year 3 Drawing: Developing drawing skills** 1.See like an artist 2.Shading 3.Take a closer look 4.Imagination in bloom 5.Paper to pixels 6.Every picture tells a story (optional) Lessons: 5 or 6	D&T **Year 3 Electrical systems – Electric poster** 1.Information design 2.Topic research 3.Design development 4.Electric poster assembly Lessons: 4	ART **Year 3 Painting and mixed media: Pre-historic painting** 1.Exploring prehistoric art 2.Charcoal animals 3.Prehistoric palette 4.Painting on the cave wall 5.Hands on a cave wall Lessons: 5	D&T **Food & nutrition: Phunky Foods unit** Lessons: 6	ART **Year 3 Sculpture & 3D: Abstract shape and space** 1.Structural shapes 2.Constructing in 3D 3.Seeing space 4.Abstract sculpture 5.Surface decoration Lessons: 5	D&T **Year 3 Textiles: Cushions (Option 2)** 1.Cross-stitch applique 2.Cushion design 3.Decorating my cushion 4.Assembling my cushion Lessons: 4
