Curriculum drivers

Curriculum drivers

Community Values

Bridekirk Dovenby is a wonderful place to come to school and learn; we want children to be aware that they are a central part of a small community and have a role to play in that community. We have links with the local church, groups in the village and also with the wider world. We believe our children need to develop their sense of justice and an ability to empathise with and tolerate others. Our curriculum will strive to make children aware of their own emotions and how their actions impact on others so they can become well rounded citizens.

Active Adventure

Living on the edge of the Lake District, we are passionate about the physical and mental development of our children. We believe competition and sportsmanship develop confidence. We want our children to know there is more to life than the virtual, digital world and our curriculum will allow them to manage real risks by having fun and a little danger!

Initiative and Independence

It is vital that we nurture the natural curiosity of our children, enabling them to become independent in thought and action. Our curriculum will encourage them to imagine, enquire and become increasingly responsible for themselves and others.

Possibilities Worldwide

Living in a rural community, we believe our children need to know about and understand the world that is beyond the immediate doorstep and the possibilities that it can offer. They need opportunities to experience the richness of its diversity and show they care about its management and sustainability. We will provide opportunities for them to explore similarities and differences between communities and open their eyes to new possibilities. This will enable them to be aspirational and understand how to achieve their dreams.

Behaviour Ladder

Conversation Questions

What happened?
What were you thinking at the time?
What have you thought about since?
Who has been affected by what you have done? In what way?
What do you think you need to do to make things right?

Marking Policy

- 1:1 Verbal Feedback in lessons (immediate)
- Whole Class Feedback.
- Marking Code:
- Learning objective highlighted in yellow if it's been achieved. Evidence they've achieved this might also be highlighted in yellow. Anything I'd like them to edit and change is highlighted in pink.
- Where children edit and correct their work they do this in red pen.
- Spelling errors are highlighted selectively with children practising them again 3 times.

Homework

Homework will be set every **Monday**
to be completed by **Friday**

- Maths- task linked to current learning on freckle
- English- Usually a grammar or punctuation task on Seesaw.
- Reading.
- No spelling test anymore but logbooks sent home to practise.

Times Tables

Year 4 children are tested nationally on all times tables to 12x12.

Whole school focus this year

Please help your child to learn their times tables. Knowing these by heart and being able to recall them quickly is invaluable to their learning. It helps them to progress more quickly with problem solving and when calculating with larger numbers.

Times Table Rockstars, freckle, times tables UK

Helping at Home

- **Please** label all items of clothing.
- Inform school office of holidays, absence, lateness, medication, etc.
- Inform school office if there is a **change to home time arrangements**.
- Homework and reading.

Thank you

Trips

- 12th-14th June- Year 5 and 6- York.
- Swimming- 5th-9th February.
- Year 3 and 4 adventure day to be confirmed.

School council

- As a school we are trying to ensure the children begin to recognise some / all of the 18 Sustainable Development goals.
- This is something school council will be working on again this year.
- lessons and enrichment aims to highlight these when and where relevant.

SUSTAINABLE DEVELOPMENT GOALS
