

English

Read Write Inc. scheme followed to develop children's comprehension, writing and spoken language. Using a step-by-step approach through whole-class shared reading of complete texts to give children the skills to write ambitiously and accurately. Focus on grammar in context, with a word bank to support and build knowledge. Developing vocabulary using drama and discussion activities.

Science

Animals Including Humans - All about animals' children will learn how to identify and name a variety of common animals including fish, amphibians, reptiles, birds and mammals. They will learn how to identify and name a variety of common animals that are carnivores, herbivores and omnivores. Finally, they will learn how to describe and compare the structure of a variety of common animals (fish, amphibians, reptiles and mammals including pets).

D&T

Mechanisms— Matching Slider game

Explore slider mechanisms and the movement they output, to design, make and evaluate a matching slider game. Using a range of templates.

Music Planning taken from Charanga Scheme of work., Magical Christmas Journey, Christmas Singing. Perform and Share.

Rehearsing for our Nativity performance.

Topic—History The Great Fire Of London

To find out how it started, what happened in London as the fire spread, why it spread so quickly and why it took so long to put out. Look at primary and secondary resources, with a big focus on extracts from the diary of Samuel Pepys.

Year One—Autumn 2

RE - Incarnation

Why was the birth of Jesus such good news?

Children will investigate how good news is delivered in the world, and who passes on good news. Children will learn how Christians believe the birth of Jesus was such good news and why it was so important. Discovering how the news was spread and what difference it made.

PE Gymnastics Pupils will continue to apply and develop a broader range of skills. Learning how to use them in different ways and to link them to make actions and sequences of movement. They will enjoy communicating, collaborating and competing with each other. They will develop an understanding of how to improve in different physical activities and sports and learn how to evaluate and recognise their own success.

Maths

NCETM—including composition of 6,8 and 10, odd and even numbers and differences between number tracks and number lines.

WRM—Addition and Subtraction within 10 including part-whole models, writing number sentences, fact families—addition facts, number bonds within 10, moving onto systematic number bonds within 10, addition (adding together, adding more) moving onto addition problems. Finding missing parts, subtraction—find a part, fact families—the eight facts, subtraction take away / cross out, how many left? Subtraction on a number line.
